DEDICATION

To Mother Green who, because of her love for and interest in the students of Park through the span of nearly a quarter of a century of service on the campus, has firmly intrenched herself into the hearts of all who know her, the Friendly Narva of 1933 is affectionately dedicated.

MRS. SUE V. GREEN

In Memoriam

Mrs. Ruth H. Schall, Dean of Women since 1920, held the respect of all the students on the campus. She was loved by those who knew her well and admired by those who did not belong to her wide circle of friends for her infinite tact and diplomacy in dealing with all who came in contact with her. Park College has lost a loyal friend and the students a trusted confidante with the death of Dean Schall.

You to the left and I to the right
For the ways of men must sever—
And it well may be for a day and a night.
And it well may be forever.
But whether we meet or whether we part
(For our ways are past our knowing)
A pledge from the heart to its fellow heart
On the ways we all are going!
Here's luck!
For we know not where we are going.

RICHARD HOVEY.

It is so small a thing
To have enjoyed the sun,
To have lived light in the spring,
To have loved, to have thought, to have done;
To have advanced true friends, and beat down
baffling foes . . .

—MATTHEW ARNOLD.

MUSIC AND DRAMA

PARK NOTES

Cross-currents of campus entertainment revealed many contrasts this year, ranging from the ridiculous capers of Tony Sarg's marionettes to the sublime singing of the Russian Chorus: from student discussion of technocracy and the presidential campaign to the lectures of Professor Charles Booth from London, England.

Appropriately the "longest sensational serial ever written," the Oxford Dictionary, appeared on the library shelves early in the school year. It is a culmination of forty-five years' work by eminent specialists of all fields. . . . Then for a few weeks we turned to politics, airing our views on "repeal," "a new deal," "Government control," and "engineering with Hoover." . . . One Sunday in November art-lovers flocked to the first art exhibit of its kind on the campus. We all appreciated the Italian paintings, chatted and sipped tea in our best "diletanttish" manner. The exhibit was arranged by Dr. Charles L. Griffith, new head of fine arts department. . . . The serious and the comic were thrown in high relief in the first student enterprise program of the year in a lecture by a Park alumnus. Mr. Kingsley Given delighted us because he told us about ourselves and our faculty, and because he could keep us breathless in a classic which had all the elements of a modern detective story.

Vivid costuming and brilliant singing and dancing made Mme. Slaviansky and the Russian Chorus a long to be remembered musical program in December. Later in that month we heard two student enterprise numbers, both by skilled vocalists. Versatile John Toms and vivacious Stella Wrenn charmed their audiences with their well-trained voices and skilled interpretations of well-chosen songs. . . . After the holidays Mr. Rollo H. Brown asked us why "Intelligent people read novels," a lecture dealing with the foibles of the present day reading public. . . . Tony Sarg's marionettes in "Further adventures of Sinbad the Sailor," held us spellbound.

MEN'S GLEE CLUB

A men's glee club has been organized at Park for over fifty years and is one of the oldest musical organizations on the campus. The glee club gives concerts during the year both at the chapel and at the conservatory. The programs are varied, offering a wide selection of songs both old and new.

The men's glee club appears once a year on a nation-wide radio hook-up sponsored by the Alumni Association of Park College.

This year the glee club is under the direction of Dr. Charles S. Griffith, who also accompanies the group, with Arthur Young as student director and manager.

CHOIR

Succeeding Professor Roy V. Magers as director of the college choir is Dr. Charles L. Griffith, former head of the music department of Penn College.

Under Dr. Griffith's skilled leadership, the choir plays an important part in church services, lending much to their spiritual atmosphere.

The Christmas service was made unusually colorful and impressive this year by the presentation of Handel's "Messiah" with solos sung by members of the student body. It is hoped to establish the singing of this great oratorio as an annual musical tradition. "From Olivet to Calvary," a cantata, was given by the choir Palm Sunday.

LITTLE SYMPHONY

Continuing its valuable existence as a part of the musical background and training of Park College students musically inclined is the Little Symphony. Dr. Claude O. Rader is the director with Jean Faurot, student director, assisting.

This musical organization plays at many campus activities and gives an annual concert in the spring. It also furnishes talent for ensembles and individual appearances at the Commons, entertainments and recitals.

PARK-LAWRENCE BAND

Ample proof that the influence of the robot of mechanical music has not penetrated campus musical life is the interest maintained in the musical organizations of the campus. The Park-Lawrence Band, directed by Dr. Claude O. Rader, assisted by Jean Faurot, student director, is an example of this.

An innovation this year was the modern symphonic seating arrangement, taking the place of the old military arrangement.

The band assisted at many plays and entertainments this year besides giving an annual concert and a broadcast over station KMBC during the season.

WOMEN'S GLEE CLUB

Pleasing lyrical voices, skilled interpretation of songs, and the lovely formal gowns of the singers make the annual Women's Glee Club concert an anticipated musical event of the season. Mrs. Alberta Brewster, teacher of voice, directs the club, assisted by Ruth Yoakum, student director and accompanist.

The glee club has participated in chapel and church programs, and members of the club have supplied musical talent for recitals both as accompanists and soloists.

SLAG

By DON FEERER

A slag pile, burning sullenly in the distance, a symbol of the "unquenchable memorial to the inertia of social conscience," was the realistic background of the annual Theta Alpha Phi production. "Slag" was the work of Don Feerer, a graduate of Park in 1931. Miss Sullivan directed the play.

Social and psychological in its treatment, the play concerns the practical idealism of a newspaper editor, played by Paul Hostetter, and the desire of his wife, Sarah Kimpton, for beauty, luxury and social success. Although the play does not attempt to solve any specific social or economic ills, it is a challenge to the intelligent, who may easily find their own lives depicted and who are provoked to serious thought by its problems.

Other roles were taken by Donald Cowgill, Thomas Perry, Mary Bess Markward, Mary Frances Polk, Clara Newcomb, Edwin Todd, Fred Tims and Robert Lutz. Ralph Bonacker was business manager and Eugene Pool was stage manager.

Cowgill, Newcomb, Lutz, Hostetter, Kimpton, Perry, Polk

PARODIES ON RHAPSODIES

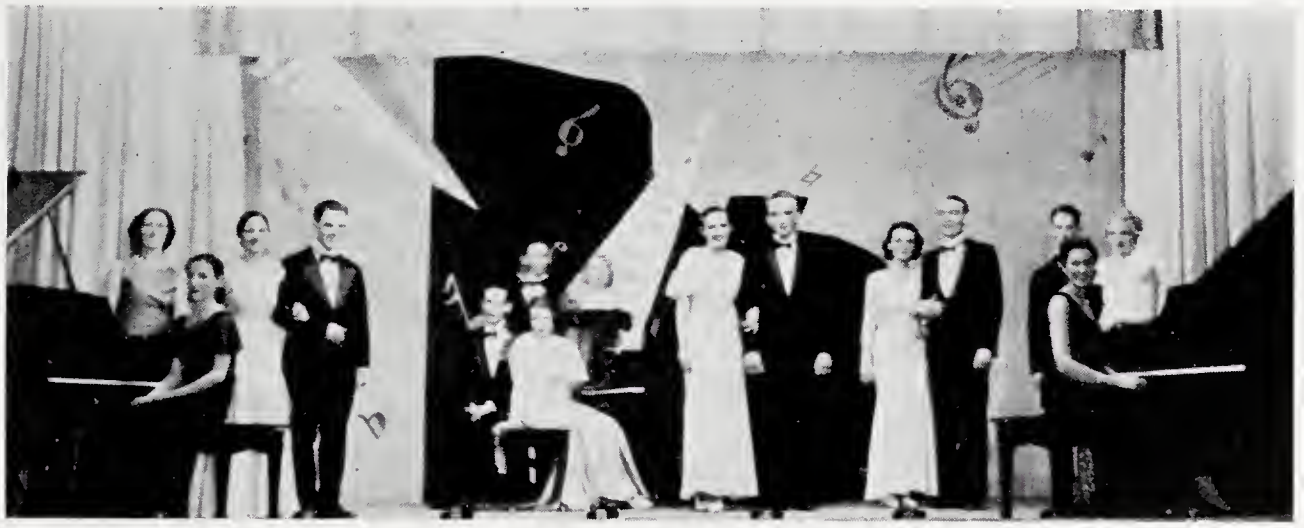
A MUSICAL COMEDY

It sparkled, it sobbed, it scintillated; in short, the Sophomore musical comedy, "Parodies on Rhapsodies," was an interesting not to say refreshing departure from the usual type of program given on the college stage.

Solos, choruses, interpretive dances, dialogue and piano ensemble were features of the entertainment. Direction was by Dick Trent Paris, scenery by Margaret Prout, dancing by Edna Burger, a trio of piano numbers by Merrilee McAfee, Wava Field and Ruth Goerner, violin solo by John Schaffnit and solos and choruses made up of Jo Barni, Evadne Marstellar, Levi Tarr, Betty Godard, David Rasmussen, Vi Gordon, Philip Smith, Edward Gillespie, Eunice Clark, Joe Fulton and Fern Smith. William Sims was business manager.

Some random highlights . . . dusky negro figures crooning plantation melodies against a glowing rose-colored curtain . . . "misses mcafee, goerner, field" at the grand pianos, sharply silhouetted against the smart backdrop . . . the swirling, sinuous figure of miss burger . . . the silver strains of "mr. schaffnit's" violin . . . the pleading tenor of "mr. paris's" "Body and Soul."

Unusual lighting effects, a clever well developed theme, and ultra-modern stage settings combined to make the musical comedy a successful production.



Field, Barni, Marstellar, Tarr, Paris, Fulton, McAfee, Smith, Godard, Rasmussen, Gordon, Smith, Gillespie, Clark, Goerner

"Out of the earth, and out of the tree
Strength comes flowing into me.
Out of the brook comes quietude
Down from the sky comes Wisdom's food."

—M. C. DAVIES.

FORENSICS

MEN AND WOMEN'S DEBATE

A trend in the field of forensics toward non-decision debates and the advent of a new type of cross-questioning debate characterized this year's debate season at Park.

The main topic for discussion was the Pi Kappa Delta question, "Resolved, that the United States should agree to the cancellation of inter-allied war debts."

At the regional Pi Kappa Delta convention at Des Moines, the men's debate team won second place. Harry Porter and Carl Dallinger represented Park in this contest.

ORATORY

World friendship set up against war and ignorance has been a popular theme upon which Park orators have elaborated to add to the forensics laurels this year.

Ralph Bonacker, whose oration was titled "A Mandate to the College Bred," won first place in the Old Line contest in the state. He entered the divisional contests at Evanston, Illinois, representing the state of Missouri and was among the three to place in that contest. He then entered the national contest and won second place. In his oration, Bonacker challenged college bred youth to rise up against the old social order and create a new and better one.

Arthur Young set forth the evils of "dressed up militarism" in his oration, "The Pied Piper of America," to win the annual Harry S. Jewett Peace Contest. In the state contest he placed second, which allowed him to enter the national contest.

At the Pi Kappa Delta convention at Des Moines, Iowa, Park won further victories. Arthur Young placed first in the oratorical contests and Beth Wallace first in the women's extempore division.

Dr. Forrest W. Beers is coach of oratory, both for preliminary and intercollegiate contests.

In showers pale as raindrops and as round,
Who would suspect that such before they're gone,
Could hold the sun?"

PUBLICATIONS

PUBLICATIONS BOARD

The publications board of Park College was organized for the purpose of relieving the difficulty in the selection of capable editors and business managers of the student publications, which hithertofore had been elected by the student body.

The board of publications is made up of two faculty members appointed by the administration and of three student members elected by the student body. The students are generally those in the upper class division who have had some experience in dealing with publications.

The editors and business managers of the annual and the college paper are appointed by the board which reserves the right to remove any officer displaying gross inefficiency. The board also keeps a close check on the activities of the publications and audits the finances, preventing serious financial difficulties.

THE PARK STYLUS

GEORGE SWEET
Business Manager

Several new features have been added to the Park Stylus, the weekly newspaper of Park, this year. The editorial page has developed into an important outlet for literary talent. Linoleum block cuts have been one of the most attractive features of the paper.

Two special editions were put out during the year, the Christmas edition and an April 1 edition, titled "Park's Vilest."

THE 1933 FRIENDLY NARVA

WILLIAM CAMERON
Business Manager

Friendliness is an intangible spirit that dwells best in simplicity. We offer this "Friendly" Narva of 1933 in simple, almost plain style as a record of your friends at work and play upon the campus. A review of most of the triumphs and some of the tragedies is given in this memory book to be preserved for all the times.

This year the editrix and business manager were appointed by the board of publications. There was no faculty supervision or censorship of the book, the entire responsibility for the annual falling upon the editrix and her hard working and loyal assistants. To them she wishes to express her sincere thanks for their willing cooperation throughout the year.

Don Mackenzie of the board of publications acted as advisor for the editorial staff of the Narva. He was ready at all times to assist and loyally helped us out of the snarls and difficulties that were bound to occur. To Mr. Mervin Cooksey, Furn Brockman and Paul Horstman of the Teachenor-Bartberger Engraving Company, we wish to also extend our thanks for their splendid cooperation and patience in working with us.

THE 1933 "FRIENDLY" NARVA

The annual of any school is as good as the staff endeavor to make it. In order to insure the success of the 1933 Narva, competitive try-outs were held in the fall and from the applicants the staff for the year was chosen.

There have been many who, though they did not do any of the actual writing or editing of the book, by their encouragement and interest spurred us on to our best efforts. To all these friends of the "Friendly" Narva we offer our thanks.

Dear Miss Studdard:

Enclosed are the photographs you sent me. May I say in trying to grade comparative pulchritudes, I am left with a feeling of inadequacy.

From bitter personal experience I know how much a camera can miss (see cut)! So much of the personality and charm that makes beauty is not portrayed in a reproduction of features, as you doubtless know, that I take refuge in this fact should my selections not meet with unanimous approval. (They never really do.)

Practically overwhelmed with the honor, I am

Yours sincerely,

CHARLES R. OVERMAN

SCHOLASTIC AND HONORARY

ALPHA DELTA

The Alpha Delta, the local honor scholarship society at Park College, was founded in 1927. The charter members were members of the faculty who were especially interested in stimulating interest in securing a charter from the national honor scholarship society, Phi Beta Kappa Society.

The present group is composed of members of the faculty who were charter members of this group and those who are members of the Phi Beta Kappa Society. In addition, members of each graduating class ranking highest in scholarship, in the first ten per cent, are invited to membership. Fifty students have been recognized by an invitation to membership from 1927 to 1932.

Members now in Parkville are:

Miss Alice Waldron
President of Alpha Delta
President F. W. Hawley
Dean W. F. Sanders

HONORS COURSES

Each year a select group of students who have done well above the average in their special field and are judged capable of doing honors work in their major subject are given an opportunity to do so. Honors courses are open to juniors and seniors.

Honors students are not required to report for regular class work or examinations. but upon completion of their work under the head of their major department they are required to write a dissertation upon some problem and to take several hours of written examinations in addition to an oral comprehensive given by a visiting professor.

THETA ALPHA PHI

The outstanding achievement of the Missouri Beta chapter of Theta Alpha Phi, honorary dramatic fraternity, was the premiere production on November 19, 1932, of the play, "Slag," written by a member, Mr. Don Feerer, who graduated from Park College in 1931. This social drama was produced under the direction of Miss Esther Sullivan.

The stage director, Mr. Eugene Pool, has been ingenious in installing new stage facilities for the conservatory this year. The stage is now equipped with a new pin-rock, and with new strip and border lights which make possible adequate, flexible and artistic lighting.

Theta Alpha Phi sponsored the senior play given at Commencement, "Belinda," by A. A. Milne. At this time a beautiful new exterior set was initiated.

PI KAPPA DELTA

Many students find a field of interest in oratory and debate, and to these people the work alone is fully remunerative in pleasure and increased ability. To those who attain excellence in these activities is given a higher honor than mere recognition of ability. This honor is membership in Pi Kappa Delta, a national honorary forensic fraternity.

It is a mark of distinction to wear the Pi Kappa Delta key, gold for debate, silver for oratory, indicating both personal achievement and service to the college. The requirements of the fraternity are high: those admitted to membership must have represented their college creditably in a required number of intercollegiate debates, or have distinguished themselves in oratory.

Each year the local fraternity sends a representation to the Pi Kappa Delta convention, held this year at Des Moines, Iowa. This year Park sent a men's debate team composed of Carl Dallinger and Harry Porter, an extempore speaker, Elizabeth Wallace, and an orator, Arthur Young. The debate team won second place, while Miss Wallace and Mr. Young placed first.

WAKEFIELD SCIENCE CLUB

The Wakefield Science Club was first organized in 1926 to include only those studying natural sciences, that is, physics, chemistry and biology. However, in 1930 the psychology and sociology students were invited to join.

The object of the society is to promote an interest in science of a larger extent than that found in the regular curriculum and to create a desire for further study among the individual members.

"Scientia Vincit" was adopted as the official club motto. An interesting emblem has been devised made up of a benzene ring within which are the letters "WSC" and the winged staff of the god Mercury entwined by the sacred snakes of Hygeia, the goddess of Health. All the natural sciences are represented by this emblem; chemistry by the benzene ring, physics by the physical forces and power of the god Mercury, and biology by the emblem of Hygeia, the goddess of health and life.

RELIGIOUS

YOUNG WOMEN'S CHRISTIAN ASSOCIATION

This year has been a notable one in the life of the Y. W. C. A. A program for freshmen girls was instituted in the fall. The girls were divided into groups and met once a week at the home of a faculty advisor under the leadership of two upperclass girls. They discussed problems of interest of the group.

An old-fashioned meeting-house to be called the Y. W. Meetin' House is being constructed on the terrace below the Commons to replace the Hut, which burned in November, 1931. An organ, two bells to ring from the tower, an old clock, a spinning wheel and several other antique articles are ready to be placed in the Meetin' House as soon as it is completed.

Other activities of the year: Spring May Fete, Waffle Supper on Thanksgiving evening, Japanese Bazaar, opening of the lower dining hall for recreation on Saturday nights, program given in the colored church, clothing and gifts sent to the Helping Hand Institute and Mercy Hospital; and several musicales and speakers were provided for student body entertainment.

YOUNG MEN'S CHRISTIAN ASSOCIATION

The Y. M. C. A. has its own room in the lobby of Copley-Thaw where meetings are held twice a month. The Y. M. C. A. endeavors to bring into its group all the men on the campus who are interested in Y. M. work.

Discussion groups were held in conjunction with the Y. W. C. A. on such subjects as family relations, race relations, social problems and the meaning of religion. The groups were well attended and interest was high.

Speakers were brought to the campus to talk on subjects that would interest students, such as present day political problems, race relations and economic problems. Athletic events for the season consisted of boxing matches and wrestling matches in the gymnasium. The Y. M. C. A. also sponsors a doubles tennis tournament each fall.

CHRISTIAN ENDEAVOR

The Christian Endeavor has been functioning on Park College campus for many years. Its object is to promote the highest type of Christian life on the campus and to allow students to participate in discussions on religious themes.

Occasional Quaker meetings are held. Some meetings are given over to music, some devoted entirely to worship and others to some outstanding speaker.

The social part of the program consists in some social event once a month. Picnics, get-togethers in the gymnasium and parties for special holidays are given.

CLUB BASKETBALL

The struggle for court supremacy rested upon the shoulders of the Parchies and Lowells this year. The Orions got off to a poor start and trailed in third.

At the beginning of the last quarter of the last game of the season the Parchies had a ten point lead. However, the luck changed and with the superb playing of Kerlin, Hank Young, and Art Young, the Lowells were able to creep into the shadow of the Parchevards' score. The score about a minute before the bell stood 26-25. On a perfect tip-off, Art Young dribbled the ball a few paces and then tossed it neatly into the net. The game ended with the Lowells the champs of the season.

The high scorers for the season were: Lusk (P), 46; Dyer (O), 42; Yarnell (L), 38; Leech (L), 29; and Gresham (P), 26.

CLASS BASKETBALL

The seniors made one last dash before the Christmas holidays to win the championship, triumphantly closing their record with six wins and no defeats. Throughout the tourney, the upperclass team displayed excellent team work.

Usually the freshman team, made up of players just out of high school, win the tournament, but this year the seniors, led by Art Dyer, presented a team of such speed and polish that they completely eclipsed the other teams. The senior team was composed of Dyer, Ritchie, Seuell, Reimold, Young and Radford.

Most of the games were close. In the final week the seniors met the hard fighting freshmen to emerge victorious with a score of 24-22. In the last game with the sophomores the seniors maintained their lead and defeated the sophomores 29-20.

The final standing was:

	W	L	Per
Seniors	6	0	1000
Juniors	1	5	166
Sophomores	3	3	500
Freshmen	2	4	333

TENNIS

Skid Gilchrist and Tommy Jamias defeated Leach and Lohff 6-4, 6-1, 6-3, to win the Y. M. C. A. fall doubles tennis tournament.

During the tourney the biggest difficulty that the Gilchrist-Jamias team met was in defeating the Brown-Wall combination.

Leach and Lohff met hard sledding all the way to the finals. Drawing first rate teams every play, they managed to come through the first round with flying colors, defeating Mertz and Smith 3-6, 6-3, 6-3 in the second round. Dyer and Mayne battled gamely in the third round, but lost to Gilchrist and Jamias in a 6-4, 7-5, 6-2 score.

The freshmen and sophomores sponsored a tourney between the two classes. Gilchrist was again triumphant in the singles; and teaming with Vic Brown in the doubles they won from Smith and Sims with 3-6, 6-0, 6-0 score.

In last year's spring tournament, Hugh Hamilton defeated Harold Ellison in the singles, 5-7, 7-5, 6-3, 6-1.

Brown and Wall defeated in semi-finals by Leach and Lohff.

Gilchrist and Jamias victors of Y. M. C. A. doubles.

Hugh Hamilton, last spring's singles champion.

CLUB TRACK

One of the major events of the spring athletic season is the annual track meet. The Lowells defeated the Parchevards and the Orions with a final score of 52 points; Parchevards having 46 points and the Orions having 37 points.

High point man of the meet was Jimmy Watson, Parchevard, with a total of 20 points.

The only new record for the meet was set by Alfsen, Lowell, when he heaved the shot-put 38 feet 8.5 inches to better the old mark by four feet.

The Orions were able to capture first place in the 100 yard and 440 yard dash with Baird first to touch the string, and to win first place in the relay race.

CROSS-COUNTRY

Bob Waggoner, Parchevard flash, repeated his triumph of last year in the annual cross-country run, completing the course in 21.56 minutes to come in first by a fifty yard margin.

The race was one of the closest run for some time as all three clubs were distinctly in the running until ten places had been accounted for.

The Lowells had the most men to rank in the finish, taking first place, the Orions second place, and the Parchevards third place.

Points were awarded in the following manner by Coach L. A. Robbins: First place, 1 point; second place, 2 points; third place, 3 points, etc., down to the fifteenth man, counting, however, no more than five men from each club. The following are the first ten men to finish the race with the initial of their club:

1. Waggoner (P)
2. Patton (O)
3. Seifert (L)
4. Hamilton (P)
5. Yarnell (L)
6. Bain (O)
7. Perry (L)

CLASS BASEBALL

The fall baseball season opened with a tilt between the sophomores and juniors. Interest in the games was high and rivalry between the classes brought out enthusiastic crowds to see Park's "Babe Ruths" perform.

In a final thrilling game between the juniors and seniors, the juniors came out the victor of the season with a score of 11 to the seniors' 10. A wet field made the game rather hazardous and sliding to bases an easy feat.

The brilliant playing of Ben Boyles, pitcher, and of Art Young was responsible for the junior win.

Fast playing and close guarding on the part of the Aurora team captained by Max Kinch won for them the championship of the tournament. The Auroras won four, lost none; the Lucernes won two, lost two; and the Calliopeans were unable to score a win in the series.

The varsity team as chosen by Mrs. Robbins, Annabelle Chambers, referee, and the three captains, Lois Pennington, Calliopeans; Ruth Goerner, Lucernes; and Maxine Kinch, Auroras, were as follows:

Mary Frances Polk (L), captain, forward; Thelma Mathes (A), forward; Jessie Richards (A), j. center; Fred Nielsen (C), guard; Eunice Clark (L), r. center; Alice Schmidt (A), guard.

HOCKEY

The athletic season for women opened with a tilt on the hockey field between the Auroras and Calliopeans. The score was a tie, 1-1.

Through the rest of the season the Auroras were able to rally sufficiently to hold the big end of the score at the end of each game and came out the victors of the tournament.

The Calliopeans, captained by Peggy Mudd. were second with two wins, one tie and one lost; and the Lucernes last with no victories.

The varsity team was chosen by Mrs. Robbins, referee, and the three captains, Lucernes, "Dud" Wright; Calliopenas, Peggy Mudd; and Dorothy Studdard, Aurora captain, as follows:

Dorothy Studdard (A), captain, c. field; Lois Pennington (C), l. inside; Peggy Mudd (C), r. inside; Dud Wright (L), l. wing; Margaret Kilmer (A), r. wing; Mildred Melcher (A), r. half; Geneva Hewitt, c. half; Ruth Schiller, l. half; Alice Oien (A), r. full; Clara Faris (C), l. full; Alice Schmidt (A), goalie.

VOLLEYBALL

Volleyball teams exhibited better playing this year because of so many experienced players. Powerful serves were a feature of the offensive playing while the defense concentrated upon "set-ups" to take the spin off the ball and return it to the net players.

The competing teams were evenly matched and the final round of the tournament ended with a tie between the Auroras and Lucernes. The deciding game was close, but the Lucernes emerged triumphant with a marginal score of 35-26. The Auroras, captained by Alice Oien, won three games, lost two; the Calliopeans, captained by Peggy Mudd, lost three; and the Lucernes, captained by Dud Wright, won four and lost one.

The varsity team chosen by Mrs. Robbins, referee, and the three captains, was as follows:

WOMEN'S ATHLETIC ASSOCIATION

Membership in the W. A. A. is open to college women who participate in any of the major sports. The program for this year included hockey, basketball, volleyball, baseball and tennis. Soccer may be added next year.

Athletic accomplishments are recognized and rewarded by the presentation of Park sweaters and letters to those women who have won the required number of points, which is 800 this year. The following women were awarded this athletic honor this year: Anna Belle Chambers, Mildred Melcher, Alice Oien, Margaret Mudd, and Alice Schmidt.

Is Breakfast a Relay Race in Your Home?

(Or is Your Home Electrically-Modern?)

Is breakfast a race from the range to the table; back and forth, there and back? First the coffee and then the bacon and eggs, and afterward the toast—and one starting to cool before the other's ready? Is that the way of it, or is breakfast at your house a well-ordered meal, with coffee and bacon and eggs and toast all made conveniently and sociably at the table, and all served piping hot and delicious!

I WALKED WITH THE CHIEF

It was Spring! The flaming sun had just plunged beyond the edge of the earth. All afternoon I had looked for a man that I knew was real, yet I could not find him. I had heard about him all of my life and I knew I had seen evidences of his presence when I came back to the haunts of my forbears.

Wearily I dropped down on Philosopher's rock and looked into the West; down the trail the Sun-God had just vanished. A cool breeze touched my hair—"Boom—boom-boom — BOOM!! Boom - boom - boom." Startled for a moment I leaped to my feet.

"Bijou! White Boy!"

"O-oh, Ch-chief Narva! Hello!" At last I had found the Chief.

"Bijou Chief," I said. My mother told me of you. She said that she had known you when she lived in these green hills. She wanted me to find you, and have you show me all the nooks and corners that legends have told are in these hills."

"Come with me. I will show you these things." Silently as he came, he glided ahead of me, leading me towards his village. The tom-toms were still beating their monotonous rhythm.

"My people are dancing the dance of Friendship," the Chief explained. "Every time the trees get green again, we dance this way for seven days and seven nights. It is

a welcome to the birds who have returned and the new greenness of the hills. And too, it was with the new trees that we smoked the pipe of peace and friendship with the white man. Yes, White Boy, we were glad too, when the white man wanted to be friendly. We held the council in our Sacred glen in back of this first row of hills. It was the spot where lovers came and made their promises when the new leaves came. It was there I won my Princess. We sat there and tossed pebbles in the babbling brook while our fathers talked of tribal affairs. We called it the Spoon-holder."

Then Chief Narva took me up the trail a little ways to a tiny spring that flowed from the rocks. "This," he said, "is what

"Chief," I interrupted, "Mother told me you knew a story about 'Lowell Point'."

"Yes I do. Ugh! You young tenderfeet make me mad. You change the good old names of these places and call them something that means nothing. We called that 'Look-Out Point.' We could stand there and see the wagon trains come out of the East from the little town on the bend of the river. From there we could signal with smoke and our village and the other villages in our tribe could bring their furs and leather goods down to the river-bank trail to trade them to the white men."
